

From the Pastor's Desk

Lonnie Mattingly, Pastor Shawnee Baptist Church

Dear Pastor,

I am writing to introduce you to a new opportunity for your church. My associate pastor of 33 years, Dr. Ed Snider, has put together a program that can be a real blessing to God's people.

The title of the program is "Key to the Bible Seminar." It will give your people a real grasp of the Old Testament. He will present it in a way that I am sure your people will enjoy. It takes four sessions that can be adapted to your church schedule. He has designed it to be a seminar that your church could host and actually could not be a cost to your church.

Bro. Ed has taught a Couples Bible Class for years as well as teaching in our College. He has directed our Sunday school work and trained Sunday school workers in how to better teach the Bible.

Please consider hosting this seminar in your church. If you would like additional information about this program feel free to call Bro. Ed at 502-775-8431. He will be glad to answer any questions.

For Christ and for Souls,

Lonnie Mattingly
