saith the Lord,

and like a hammer  
that breaketh the rock in pieces?"

## WHY SOUTHEASTERN? *Some unique features & advantages are:*

### ✧ PREACHERS TRAINING PREACHERS

With a teaching staff of active pastors, evangelists, and missionaries, S.F.B.C. is really "preachers training preachers."

### ✧ FLEXIBILITY OF A MODULAR COURSE SCHEDULE

There are three six-week modules each semester in which one two-hour course and one three-hour course are completed. Evening classes give students the opportunity to work full-time at a variety of jobs available in a strong labor market in one of the fastest-growing areas in the southeast.

### ✧ UNUSUALLY LOW TUITION

S.F.B.C. has one of the most affordable tuition and fee schedules in the country. The availability of full-time Christian workers who are willing to fill Staff and Teaching positions for minimum compensation allows us to keep tuition costs low! Currently, total costs for a full year's work, including textbooks, should not exceed \$1,200.

### ✧ DISTINCTIVELY BAPTIST

*Taking a strong stand on key issues of the day:*

**The King James Bible:** We believe and teach that God has kept His promise to preserve His Word "from this generation forever" (Psa 12:6,7), and that internal & external evidence abundantly prove that the King James Bible is the preserved Word of God in the English language.

**Creation:** We believe and teach that the Genesis account of Creation is true and accurate in all its details, and that one's belief about origins will determine his philosophy of life. Creation was a direct, miraculous act of God, completed in six literal 24-hr days, and all subsequent reproduction has been "after their kind."

**Separation:** We believe that the doctrine of separation clearly taught in the Scriptures demands both individual separation in the matter of personal holiness, and ecclesiastical separation with regard to cooperation or affiliation with denominations, movements, or other religious or para-church organizations.

**The Local Church:** We believe that the work of the Lord in this dispensation IS the local New Testament Church. This True Church has an unbroken history from the personal ministry of Christ on earth to the present day. It is a self-governing, independent body having Christ as the Head, the Holy Spirit as its Guide, and the Bible as its final Authority in all matters of faith and life.
